Chairman Board of Governors Message

Nursing is one of the noblest professions and backbone of hospital care. Nurses carry on an awesome responsibility to improve the health outcomes of patients, their families and the community as a whole. To deliver quality in professionalism, nurses have to be well groomed, educated and trained. Today's health care system demands highly qualified, professionally trained and skilled nurses to ensure sound results in the patient care management.

To overcome the huge deficiency of qualified nurses in Pakistan, it is the need of the day to establish quality nursing colleges. In this regard, MTI Swabi has added a new pillar to its entity in the field of health services and medical education by initiating College of Nursing to introduce Nursing degree programs. I appreciate the determined efforts of all members associated with the Nigar College of Nursing, MTI Swabi in making this dream into reality. I assure continuous help and support of the board to the College. I feel pleasure in extending a very warm welcome to the new aspirants seeking admission in this college, for structuring their career in the noble profession of Nursing. May Allah be with you.

Maj Gen. Muhammad Salahuddin Qasim HI (M) Retd.

Chairman Board of Governors
MTI Swabi

Message by Lt. Gen. Nigar Johar(R) HI (M)

Blessed are those that work for humanity and the nurses top this list. The decision to become a nurse, is the decision to dedicate the entire life serving humanity, the reason that it is rewarded in both the worlds. Future of nursing is very promising, I see nurses in all healthcare fields and also in leadership roles, stepping into decision-making positions for better policy changes. The journey is definitely worthwhile. They say nursing is not just an art, it has a heart, and our faculty is focused to train health care workers equipped with skills, knowledge, empathy, and kind hearts. I welcome my dear students to Nigar College of Nursing MTI Swabi, where the commitment is excellence in nursing education. I am very confident that NCN will produce graduates who will set new standards in nursing and healthcare. Dear students, start with faith in Allah and yourself, the exciting journey of excellence in learning and healing. My prayers that Nigar College of Nursing is where passion meets purpose, compassion meets care and education meets excellence. Ameen.

Lt Gen Nigar Johar(R) HI (M)

Principal's Message

Nigar College of Nursing MTI Swabi is the first initiative in the public sector in district Swabi to provide state of the art facilities in nursing education and training. The objective of our college is to provide students with the opportunities to serve, to lead and to full their potential in all domains, so that they can compete and succeed in the modern world. We are committed to provide our students with firm foundation in nursing. Our facilities in terms of faculty, infrastructure and necessary others are excellent. We have a dynamic team of qualified faculty members who have diverse professional experience. They are dedicated to teach, facilitate, and train the students according to the required standards. I am confident that the Nigar College of Nursing will create a benchmark in nursing education in Pakistan.

I welcome you to the Nigar College of Nursing and wish you success in your future endeavors.

Nursing Director's Message

Nursing is a caring profession that plays a pivotal role in delivering health care. Nurses in the modern era have diverse and complex roles and such complexity requires that nurses must be equipped with knowledge and skills in order to play their roles effectively in hospitals, communities and other health care settings. Quality nursing care is dependent upon the quality of training that nurses must be provided with. Therefore, standardizing nursing education should be the foremost goal of nursing institutions in Pakistan. There is a grave national level deficiency of qualified nurses. This urge for taking initiatives in public as well as private sectors in this country to establish quality nursing institutions in order to overcome this deficiency. Nigar College of Nursing MTI Swabi is one of the crucial steps in this regard. I wish all the students of NCN every success in their professional and personal life.

MR. MEHRAN KHAN
NURSING DIRECTOR
MTI-BKMC, SWABI

INTRODUCTION TO NIGAR COLLEGE OF NURSING MTI SWABI

Nigar College of Nursing (NCN) Swabi is a project of MTI Bacha Khan Medical Complex Swabi. Nigar College of Nursing is located on main road at Shah Manoor, Swabi. District Swabi and the surrounding areas have quite sound literacy rates. The people of this area demands such type of learning process and modern courses which may lead them to bright future. They need a clear and transparent way of education system in Medical and Health Sciences that can improve quality of life for the individual and families. Being a central district, Swabi does not have any public sector nursing college so far. Presently, there are approximately one hundred thousand nurses registered with Pakistan Nursing Council; however, according to the WHO demand, the country should have nine hundred thousand nurses by the end of 2030. We aim to start with three programs listed below.

- **Generic BSN (4 Years Degree program)**
- **Post RN BSN (2 Years Degree Program)**
- **LHV (2 Years Diploma Program)**

VISION

The vision of Nigar College of Nursing Swabi is to progress as a state-of-the-art Nursing college at national level that fosters modern methods of academic excellence and community health care.

MISSION

The mission of the Nigar College of Nursing Swabi is to improve the quality of the life for individuals and society by promoting health, preventing and curing disease, advancing biomedical research and educating tomorrow's nurse clinical specialists, Public Health Nurses and health researchers.

FUTURE PLANS

NCN envisions expanding its horizon to cater various other nursing educational programs, different nursing specialization programs and Master of Science in Nursing (MSN).

WHY NCN

- NCN has qualified faculty members with diverse experience.
- NCN will adopt modern diverse teaching and learning methodologies through a rigorous training process in collaboration with BKMC.
- NCN has the benefit of availing three hospitals for clinical training.
- NCN will offer competitively paid Internship to its graduates.

ACCREDITATION

- Nigar College of Nursing is registered with Pakistan Nursing Council (PNC), Islamabad for Generic BSN (4-year), Post RN BSN (2-Years) and LHV (2- Years).
- The institute is affiliated with Khyber Medical University, Peshawar.
